## TEACHER

An application for discount must be submitted your first semester each year (the academic year starts with the summer term) and must be accompanied by a letter from your Principal verifying your status as a full-time teacher in a primary or secondary Catholic school.

The maximum discount is 50%. If your course is already reduced, the teacher discount can only bring the combined total to 50%. The University reserves the right to request a verification letter more often than once a year.

Please note that the discount pertains only to tuition. All fees must be paid in full.
