---

**Please indicate the SEMESTER AND YEAR you plan to complete degree requirements:**

December 200 \_\_\_\_\_ May 200 \_\_\_\_\_ August 200 \_\_\_\_\_

Major \_\_\_\_\_ Second Major \_\_\_\_\_ Minor \_\_\_\_\_

---

---

### Important Notes:

Applicants will receive a delineation of outstanding degree requirements once this application has been processed. Most students will receive a computerized degree audit. Students admitted prior to 1986 will receive a course and credit listing of outstanding requirements.

### Please note:

1. The degree audit assumes successful completion of all courses in progress (including grades of Incomplete).
2. Schedule adjustments (add-drop transactions) may change the profile of outstanding degree requirements.
3. Previously authorized waivers or substitutions should be reflected on your degree audit.
4. Waivers and substitutions are not automatically transferable from one major or college to another.
5. Second majors or minors indicated above will be included in your degree audit ONLY if you have officially declared them on a Curriculum Adjustment Form.
6. Addition/deletion of a second major or minor may affect the profile of outstanding degree requirements.
7. If you need assistance in interpreting your degree audit, please contact your adviser.
